

I am very excited and thankful to pass along the news that the Fishers Planned Parenthood is officially closing on July 26! I had heard the rumor earlier today and had called their office to confirm it but wanted to wait until it was officially on the news tonight before sending out this message!

I am so thankful for your prayers and support during these last four 40 Days For Life campaigns at the Fishers Planned Parenthood as we prayed for an end to abortion, for those who worked there to find work that would be pleasing in God's eyes and allow them to still use their God-given talents, for those who had already been affected by abortion to know of God's healing mercy and forgiveness, for our world, especially our own community, to recognize the sacredness of life and for all those going into the Planned Parenthood facility to know of other options that were available to them.

Today please join me in thanking God for the closure of three Planned Parenthood facilities this month in Indiana.

I am hopeful that many of you will join your prayer and fasting to the 40 Days for Life campaign in Indianapolis, as you are able. The fall campaign will be held from September 28 through November 6. I will be sending out more details once they are available. Praise the Lord for this wonderful news, which also happened to come on my birthday!
