40 DAYS FOR LIFE 365

40 Days for Life 365 continues year-round, in between regular 40 Days for Life campaigns. We aim to have two people serving outside Planned Parenthood between **7:30 AM-4:30 PM from Monday through Saturday**, but we need more volunteers to achieve that goal. To help us fill empty time slots and enable a prayerful presence on the sidewalk during clinic hours as part of our 40 Days for Life 365, contact Jen at pghsaland365@gmail.com.

Sidewalk Advocates for Life are volunteers who have learned the most effective ways to reach out to abortion-minded individuals and empower them to choose life instead. They serve on the same schedule as the 40 DFL 365 prayer warriors. To learn more or to register for the next training session, contact Andrew at andrewSAFLPGH@protonmail.com.
