Hello all,

Many of you have seen the hoodies with the message “Please Don’t Do it” These shirts are perfect for standing vigil in front of the devil’s den.

Many of you have also asked if there will be a t-shirt version. Well, here’s your chance. I have reached out to Tom, who printed the hoodies, and he is able to do the t-shirts at the prices below. He needs a minimum order of 12 shirts before the price is doable.

If you are interested, I would need to know how many you like and the size(s). Just send a message to my personal e-mail (vince.penco33@gmail.com) with “T-shirt” in the subject line with the pertinent information. Once we hit the magic number of 12 (or more), I will place the order and then we will work out the payment arrangements. Again, pricing information is below. As you can see, if the interest hits or exceeds 24, the price goes down.

Thank you for your interest!

Vince Penco
